UI Design · UX Design · Wireframing · Web Design · Prototyping · Responsive Design

About Me

I'm a UI/UX Design Student pursuing B.Com (Hons) from SOL DU, passionate about creating clean, modern and meaningful digital experiences.

I enjoy creating simple, intuitive interfaces with a focus on usability, visual design, and user experience.

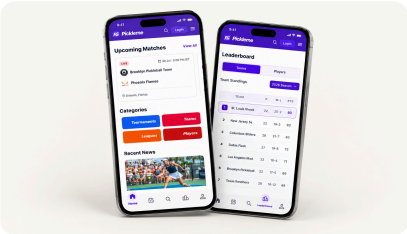

Work Experience

Alpine

Designed a clean and modern e-commerce website focused on easy product discovery, smooth navigation and a simple shopping experience.

Figma Prototype ↗

PickleMe

Designed a user-friendly sports app focused on making sports activities and information easier to explore, with a smooth interface and intuitive user experience.

Figma Prototype ↗
